

SonarWiz Annual Training Workshop

Seattle, Washington

December 2016

Join CTI in Seattle, Washington for our Annual 3-Day Training Workshop! We'll be covering post-processing for sidescan, sub-bottom, bathymetry and magnetometer data, as well as data acquisition on the water.

What You'll Learn:

Post-processing for sidescan, sub-bottom, bathymetry and magnetometer data. This includes advanced interactive planning tools and how to produce high quality mosaics. Real time data acquisition will also be covered on the water.
